**Strand Hill Nominated for Highest Production Award by Global Real Estate Network**

**[Manhattan Beach, CA, May 24 2021]** – Strand Hill, the number one independent real estate brokerage house in the South Bay, today announced it has been nominated for a prestigious Member Achievement Award presented by Leading Real Estate Companies of the World®, an invitation-only global community of the more than 565 independent real estate firms worldwide.

Leading Real Estate Companies of the World® will recognize the achievements of top performing brokerages at an Awards Gala during their 2021 Annual Conference, which will take place May 27 at Wynn Las Vegas. The conference is part of the Leading Real Estate Companies of the World® (LeadingRE) Conference Week, a series of educational and networking events focused on leadership, innovation and delivering superior consumer experiences in real estate.

Strand Hill has been nominated for the Highest Average Agent Production Award. Recognizing outstanding real estate sales productivity based upon the highest network-wide per-agent average for sales volume of 500 or more units.

“It is an honor to be nominated for the Highest Average Agent Production Award,” said Chris Richardson, President of Strand Hill ([www.strandhill.com](http://www.strandhill.com)). “We’re proud of our real estate professionals and their outstanding performance. With over 100 active real estate firms doing business in the Cities of Manhattan Beach and Hermosa Beach, we sell more homes than anyone else so we’re pleased to be in the running for this award.”

The Awards Gala serves as the highlight of Leading Real Estate Companies of the World® Annual Conference.
